## Nigeria: Bring Back Our Girls!

The world stands with the girls' families in demanding their immediate release. Their rights – and the rights of all of Nigeria's children -- to education and to be protected from violence must be safeguarded!

We the undersigned express our concern over the abduction of hundreds of schoolgirls from the Government Girls Secondary School in Chibok, Nigeria.

We urge the Nigerian authorities to work to secure the safe release of the girls and to ensure that the perpetrators of this attack are brought to justice.

We urge the Nigerian government to ensure that all children are able to **access their right to education in safety**, and to respect, protect and fulfill the human rights of all Nigerians without discrimination.

We support the girls of Chibok — and human rights for all Nigerians!
